### Gear List 2017

- 1- Chest waders- neoprene 3.5mm or thicker, brush resistant with warm thinsulate boot. Ensure they are comfortable as we will be wearing them all day on the river.
- 2- Warm clothes, and socks, (wools, moisture wicking materials) breathable warm layers that can be added or removed (mornings and evenings on the river will be cold). Waterproof warm jacket as we could encounter rain or snow.
- 3- Waterproof gear bags for your clothes and sleeping bag
- 4- Rubber boots or hiking boots for around camp, even a pair of slippers or such for around the cabin
- 5- Warm gloves for in the boat and MULTIPLE spare pairs, good quality
- 6- Warm sleeping bag, in a waterproof bag, small pillow
- 7- Camera
- 8- Alcoholic beverages/mix
- 9- Day pack (small back pack) for during daily hunts
- 10- Hunting knives
- 11- A couple packs of Hot Shots, or hand warmers just in case

Light weight and less bulky gear is important as for room and gross weight of the float plane
